The nature of these courses is as defined below:

Major Course (MJC): Major (MJC) courses are designed to impart students with the core concepts, principles and processes, and laboratory as well as instrumental skills in main branches. MJC's are a mandatory requirement for a student's program of study who wish to pursue an undergraduate degree. MJC's will be appropriately graded and arranged across the semesters of study, being undertaken by the student, with multiple entry and exit options as per UGC Curriculum.

Minor Course (MIC) : The growth of specific subject in the past few decades have been tremendous and many new sub-disciplines have emerged. It is important that apart from the main branches of the subject, a study of these new branches is also included in the curriculum. The Minor Course (MIC) incorporates important emerging areas and a pool of credit courses from their own faculty are included out of which a student will choose to study, based on his/her interest from their own faculty.

Multidisciplinary Course (MDC): Multi-Disciplinary Courses are a pool of courses offered by various disciplines of study which is meant to provide multidisciplinary or interdisciplinary education to students. Students may opt for any three Multidisciplinary course out of a list of Multidisciplinary papers (Basket) offered by the parent department or any other department/s as per his/her choice with the prior permission of the parent department. The list of Multidisciplinary papers, syllabus and prerequisite of the Multidisciplinary courses will be as decided by the Board of Studies (BOS) of the concerned subject /department / Academic Council.

Skill Enhancement Course (SEC) : SEC are skill-based courses in all disciplines and are aimed at providing hands-on training, competencies, proficiency and skills to students. SEC courses may be chosen from a pool of courses designed to provide skill-based instruction.
